

CONCESSION WINDOWS

1000 SERIES CONCESSION WINDOWS

- Vertical or horizontal sliders
- Self-storing screens
- Solid panes anywhere
- Inside or outside mounting*

** Inside mounting can be used in conjunction with our 350 Series awning*

1300 SERIES COMBINATION

Concession window incorporated into an awning door. Functional design with significant installation labor savings!

1300 SERIES COMBINATION

The 1300 Series is essentially a 1000 Series Concession Window with the awning attached. This was designed for convenience and ease of installation by incorporating two products into one. We also offer split awnings for marquee signs,

INTERIOR PLASTIC COLORS

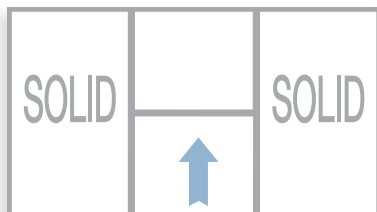

1000 & 1300 SERIES WINDOW CONFIGURATIONS
